

The Finney Scholarship

To be awarded to a senior student demonstrating overall commendable academic achievement and a commitment to pursue a law degree after college. The applicant must have an acceptance letter from and plans to attend a college/university in the fall. The applicant must complete all portions of the general Education Foundation application, including providing two teacher references and write a brief essay (2 typed pages) addressing the following topic:

Tell the story about how the legal profession has profoundly affected you or someone you know, or about a time you witnessed or experienced injustice and realizing how much good that attorneys can do, you came to know the law profession was your calling in life. Describe what fascinates or excites you about the prospect of having a career as a lawyer.

For 2015, the value of this award is \$1000.
