

Stephen J. Shellenberg Memorial Scholarship

Mr. Shellenberg faithfully served Richland School District 2 as a School Board member for 12 years and held many offices on the Board. He was serving as Board Chairman upon his death in October 2008. Mr. Shellenberg also served as a charter member of the Education Foundation of Blythewood High School. His passions for public education were fueled by his dedication and service to our district, our school, and our community.

For this reason, the Education Foundation of Blythewood High School has established this scholarship and awards it to a deserving senior.

Criteria for Scholarship

Applicant must complete Foundation general application and provide two teacher references and a college acceptance letter.

Student must also write an essay, 2 typed pages, describing his or her service activities and experiences while attending Richland 2 schools. Activities may include those that are community and/or church-related. Student should select one service activity and elaborate specifically on its effect on his/her life.

The student must explain how he/she is likely to continue service to the school, the district, or a greater community after graduation.

For 2015, the value of this award is \$1000.
