

The Education Foundation Career & Technology Education Scholarship

To be awarded to a worthy senior student supported by a strong reference from a lead CATE Teacher. Applicant must have at least a 3.0 GPA, be a Completer in his/her CATE area, and have contributed through service to BHS and/or the greater community. The applicant must complete the general Foundation application and write a brief essay (2 typed pages) addressing the following question:

Essay question:

How did completion of your program of study in Career and Technology Education at BHS prepare you for pursuit of your future career?

For 2015, the value of this award is \$1000.
